Hello Anca, welcome to the forums. I tried a search on google but cannot find an example HACCP plan for a confectionery process, the best I can do is the brochure below which is available for 30 Euros +postage from the International Confectionery Association (ICA) based in Brussels, Belgium. Safety controls for the production of safe dry food products Objectives •Introduction to HACCP •Emphasis on Dry Products •The importance of Product, Process and People •Mondel?z International journey towards food safety A look at specific

## CONFECTIONERY HACCP
