Climate change, human security and violent conflict ... Table 1 summarises some our key hypothesised mechanisms by which climate change may undermine human security and may, in conjunction with an array of non-climate specific factors, increase the risk of violent conflict. Leader behaviors and the work environment for creativity ... 1. Introduction Like other crucial organizational outcomes, creativity and innovation stem not only from overall firm strategy and access to resources but, more fundamentally, from the minds of the individual employees who, alone or with others, carry out the work of the organization every day.
