Confucius and the Analects: New Essays | Bryan W. Van ... Confucius is one of the most influential figures--as historical individual and as symbol--in world history; and the Analects, the sayings attributed to Confucius and his disciples, is a classic of world literature. Nonetheless, how to understand both figure and text is constantly under dispute. Surprisingly, this volume is the first and only anthology on these topics in English. Here, contributors apply a variety of different methodologies (including philosophical, philological, and ...
