Cosplay World features over two hundred compelling photographs, showcasing everything from campy 70's costumes to cutting-edge suits engineered in workshops and built using space-age materials. The result is both a celebration and serious look at a popular means of self-expression that continues to fascinate. Cosplay World by Brian Ashcraft - Goodreads Cosplay World is a beautiful book filled with gorgeous photos. This book is filled with a number of short essays by cosplayers, makers and photographers. The photos included blew my mind. I would have liked to know more about the history and evolution of cosplay. I was fascinated by the first 15-20 pages of description explaining the origins and growth of cosplay from the 1970s on. I wish ...
