Wood - Goodreads While dinosaurs are always a great idea for a book, this one is confusing and odd. The illustrations combine drawings with holograms, for no apparent reason. The holograms do not add to the pictures, and seem unnecessary. The text is even worse. The premise of the story is to go back in a time Countdown to Extinction: The Wild (Pre)historic Tale of ... Countdown to Extinction was a wild, off-roading, terrifying journey through the steaming jungles in the last moments of the Cretaceous.
